

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: January 26, 1996

SUBJECT: **SB 2156 - HB 2263**

This bill, if enacted, will require that the Tennessee Higher Education Commission hold at least one meeting in Nashville. Other meetings may be held in Nashville or such other locations in the state where public institutions of higher education are located as the Commission may choose.

Currently, the Commission holds all of its meetings in Nashville.

The fiscal impact from enactment of this bill is estimated to be an increase in state expenditures due to travel and lodging of Commission members and staff should the Commission choose to hold meetings in other parts of the state. However, such increase in state expenditures is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
